

Border Security 2010

3rd March to 4th March 2010

Location: Crowne Plaza Rome St. Peter's Hotel & Spa, Rome, Italy

[w] [http:// www.border-security.co.uk](http://www.border-security.co.uk)

Hear keynote addresses from Borderpol, Rome Airport Police & Frontex on the international border security challenge at this exceptional 2 day event.

With a special focus on the use of border management technologies, our 2010 programme will examine how far the human factor is being replaced and what your role will be in the 21st century environment. In addition take the chance to be part of an interactive panel discussion examining how we preserve the humanity of decision making in a technological age.

Plus pre conference workshop led by the UK Regional Counter Terrorism Command
How would we cope with a Mumbai-style attack in Europe?
2nd March 2010, Crowne Plaza Rome St. Peter's Hotel & Spa, Rome
