

ANNOUNCEMENT

We are delighted to introduce Counter Terror Expo, taking place 14-15 April 2010 at Olympia in London.

Counter Terror Expo, the largest event globally to focus on counter terrorism and specialist security for the public and private sector.

Counter Terror Expo has established itself as the leading global event for representatives from the public and private sector tasked with dealing with the threat terrorism poses to individuals and facilities across the globe.

Register Today

Entrance is free for the exhibition and workshops. The event operates a **pre-registration only policy**, to register please go to www.counterterrorexp.com/bord

Conference

Over 90 senior international officials will speak, including organisations such as United Nations, NATO, The Pentagon, Home Office, Washington Institute, US Army, Department of Homeland Security, Australian Federal Police, Cabinet Office, UK Security Service OSCT and BORDERPOL. To view the full conference programme please visit www.counterterrorexp.com/conf

Free-to-Attend Workshops

For 2010 there are eight programmes available, featuring over 90 sessions focusing on Building & Facilities Protection / CCTV & Surveillance / Information & Communication Systems / Personal Protection Equipment / CBRNE / EOD / Perimeter Protection & Intrusion Detection and Human Factors & Training.

For the detailed programme please go to www.counterterrorexp.com/work

Exhibition

Over 300 leading brand names will showcase their latest security technologies to help tackle the terrorist threat. Companies include: Lockheed, Northrop, EADS, BAE, Smiths, General Dynamics, Panasonic, Ultra Electronics and L-3. A full exhibitor can be viewed at www.counterterrorexp.com/exh

As a supporting association, the organisers have granted BORDERPOL a 30% discount to our contacts off the advertised prices, between 3rd March and the event date. Just quote CTX30 at time of registration.
